

Unit for "Multiscale Analysis, Modelling and Simulation
Top Global University Project, Waseda University

TGU Seminar

『Seminar of measurement and modeling for heat pump』

Date: From Monday, August 6th, 2018 to Saturday August 11th, 2018

Venue: JATL Japan Air Conditioning and Refrigeration Testing Laboratory
Meeting room A (from 6th to 9th)
Nishi-Waseda Campus, Waseda University
Department of Applied Mechanics and Aerospace Engineering's Meeting room
(August 10th and 11th)

Contents: **Lectures**

Prof. Muhammad Idrus Alhamid, Universitas Indonesia

Prof. Nasruddin Yusuf Rodjali, Universitas Indonesia

Prof. Nazri Kamsah, Universiti Teknologi Malaysia

Prof. Normah Binti Mohd. Ghazali, Universiti Teknologi Malaysia

Seminar of measurement

Seminar of modeling

Observation

Performance evaluation equipment for heat pump,
JATL Japan Air Conditioning and Refrigeration Testing Laboratory

Discussion
